- Medicines will be considered on a case-by-case basis. Must have at least 6 months left before the expiry date.

NB: Transport of all donations must be considered – the cost of shipping and import licences must be balanced with the value of the items. Some items (not medicines) can be carried overseas by the UK team but it is usually preferred for them to be sent directly to a specific country rather than via the London office.

To discuss making a donation of veterinary equipment or medicines, please contact the Corporate Partnerships team on 020 7831 3999 or corporatepartnerships@spana.org.
