

THE WORLD'S FORGOTTEN WORKFORCE

Creating a better world for working animals

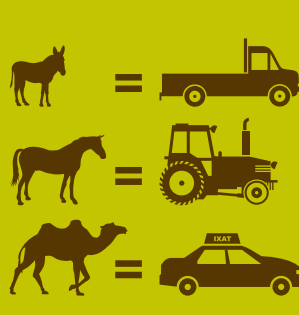

There are at least

200 MILLION

WORKING ANIMALS

in developing countries worldwide

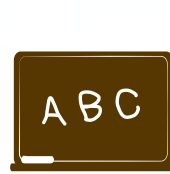

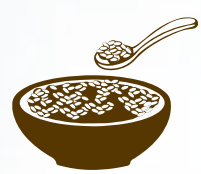

Working animals such as horses, donkeys and camels

DO THE JOBS OF TRUCKS, TRACTORS AND TAXIS

They are vitally important –

ONE BILLION

of the world's poorest people depend entirely on these animals **FOR THEIR LIVELIHOODS**

ONE WORKING ANIMAL

can support an extended family of up to

30 PEOPLE

But there is often

NO VETERINARY TREATMENT AVAILABLE

for working animals when they are sick or injured, or their owners simply can't afford to pay for it

That's where **SPANA** comes in...

The charity provides

FREE VETERINARY TREATMENT

to working animals in developing countries throughout the world

Last year, SPANA provided

OVER 200,000 VETERINARY TREATMENTS

to working animals

The charity receives

NO GOVERNMENT FUNDING

and we rely on donations from supporters to continue our crucial work

SPANA'S VISION IS A WORLD WHERE

EVERY WORKING ANIMAL

LIVES A LIFE

FREE FROM SUFFERING

AND IS

TREATED WITH COMPASSION
